Dear Applicant

Thank you for your interest in the role of Headteacher at Nechells Primary E-ACT Academy.

Is this role right for you?

If you are passionate about achieving outstanding teaching and learning in every classroom, inspiring children through engaging curriculums, developing your teaching staff to be the best they can possibly be, ensuring outstanding safety of children and making the school the heart of the community by engaging with all local stakeholders, then this could be the role for you!

The operational management of the school is run by a Regional Operations Director, meaning that they will be responsible for budget management, estates management, line management of operational support staff or ICT in the academy. Our model therefore takes away all other distractions from you, so as Headteacher you can focus solely on improving the performance of staff, pupils and the academy’s reach in the local community.

As part of the Trust’s Midlands regional hub, you will be supported and challenged from a dedicated Regional Education Director, as well as committed staff from the National Team. You will have a Regional Team of educational System Leaders to provide expert support in school improvement and will have opportunities to share, collaborate and innovate within the Midlands hub and beyond.

We are looking for a passionate individual who relishes the opportunity to lead in all areas of education and is driven by establishing a culture of pupil and staff happiness, safety and personal growth. If you are an established Headteacher who is excited by our model of leadership, if you sign up to our vision, then we want to hear from you!

If you’re interested in finding out more about joining our team in Nechells please read through the rest of this information pack. I hope you are inspired by this post and if you would like to talk more about it confidentially, please contact HR.Team@E-ACT.org.uk who will be able to arrange a telephone conversation.

Why work for E-ACT?

E-ACT is about improving schools. We do this through a relentless focus on building strong teaching and learning, inspiring curriculums, effective standard operating procedures and embedding a culture based on our values of thinking big, doing the right thing and showing team spirit.

The E-ACT team includes over 2,000 employees based across 26 academy teams, five regional teams and one national team.

By giving our pupils the space and time to explore, to learn, to reach out to new people and to challenge themselves every day, we provide an education which gives every one of our pupils the opportunity to be the best they can possibly be. To do this we employ excellent teachers, who in turn, are supported by inspirational leaders in education.

By being part of a Trust, our Academies can collaborate with one another, share ideas and practices. They can also rely on support, when it is needed, from teams of regional experts who enable Academy staff to focus on what matters most: our pupils.

A learning organisation

Whatever your role within E-ACT, we want everyone to keep on learning. We give every single one of our teachers three additional dedicated days to follow an individualised plan to build on your practice – through activities such as peer observations, visiting neighbouring schools or developing your lesson planning skills.

On top of this every teacher participates in E-ACT’s professional learning programme in partnership with Ambitions Schools Leadership.

Generous benefits

E-ACT is also a leader in the education sector for our range of outstanding employee benefits. We adhere to the Burgundy Book as a minimum for teaching staff, but go above and beyond this for all staff including a generous maternity policy and opportunities for flexible working to enable you to balance family life.
E-ACT's Approach

E-ACT’s school improvement strategy is simple and focused on what matters most: developing people and getting the very best outcomes for our students.

A relentless focus on the quality of teaching and learning
- Every lesson must enable every child to make outstanding progress
- For every teacher to be a subject expert, for them to know every child in their class – their potential and how to exceed this potential

Develop and deliver an engaging and inspiring curriculum
- The curriculum needs to engage, inspire and enable outstanding progress
- The curriculum needs to reflect and maximise the strengths of every teacher

Think big, do the right thing and show team spirit
- To create the right climate – where every child is happy, wants to learn and makes outstanding progress
- To create an environment which promotes honest and supportive relationships that enable everyone to be the best they possibly can be

Effective and efficient standard operating procedures
- To ensure that every system and process applied within the academy is focused on providing knowledge that enables every child to be safe and make outstanding progress
- To ensure that consistent and effective processes are applied which enable teachers to remain focused on their core purpose

Our regionalised model

Each academy falls into a region, and each region has an Education Team and an Operations Team, led by a Regional Director of Education and a Regional Director of Operations. The Regional Directors are supported by a series of expert System Leaders.

For the Regional Education team, this will include:
- a Safeguarding and Attendance System Leader;
- a Special Educational Needs and Disabilities (SEND) and Behaviour System Leader
- a Data and Information System leader
- subject specialist System Leaders (depending on the needs of the region)

E-ACT’s Governance Structure

The Regional Education Director holds the Headteacher to account on the performance of each academy within their region, acting under the delegated authority of the E-ACT Board of Trustees. In turn, the Regional Education Directors are held to account by the CEO for the academies within their region, who is directly accountable to the Board of Trustees.

Raising Achievement Boards

Each Academy has 6 weekly Raising Achievement Board (RAB) meetings to ensure that the academy is being supported and scrutinised in its educational performance. The educational Raising Achievement Boards are led by the Regional Education Director, with attendance from the relevant regional System Leaders and Academy Senior Leadership Team. The RABs are supportive forums whereby there is a professional two-way dialogue about the performance of the academy, and a collective drive to secure continued improvements.

Academy Ambassadorial Advisory Group (AAG)

Alongside the Raising Achievement Boards, E-ACT has established advisory bodies in each academy called the Academy Ambassadorial Advisory Group (AAG). The AAGs are a central forum for all of our Headteachers to engage with their local community, enabling them to play an active part in the life and progress of the academy.

The Academy Ambassador remit will has four key elements:

Celebration: To help to make sure that celebration of staff, pupils and parents remains a priority for each academy, and to find the best way to do this.

Communication: To work with staff, pupils and parents to make sure that the academy effectively communicates to all stakeholders, so that everyone feels part of academy life and has the opportunity to access information and events.

Concerns or complaints: To act as an independent local point of contact for staff, pupils and parents to express their concerns. Academy Ambassadors will signpost people to the right channels for dealing with their issues and will ensure that any concerns or complaints are fed back to the AAG. Where any trends emerge, the Academy Ambassadors work with the Headteacher and other ambassadors to help find solutions. Academy Ambassadors will also always form the majority of members on any appeals panels.

Community: Making sure that the pupils maximise on local opportunities by finding ways to keep the academy at the heart of the community and acting as a key link between the two. To really help the academy to explore what it can do to make the school a hub of community services.

Values-based culture

We want every single person within E-ACT to be driven by three core values:

- We want everyone to think big for themselves and for the world around you
- We want everyone to do the right thing in everything they do, even when this means doing something that’s hard, not popular or takes a lot of time
- We want everyone to show strong team spirit always supporting and driving your team forward

We really believe that if we all do the right thing, work with and support our teams and we all think big, believe big, act big, then the results will be big.
Introduction to Nechells Primary E-ACT Academy

Our academy is a single form entry primary admitting pupils aged 4-11. We currently have 240 pupils in our academy where we ensure our pupils receive the best start in their education regardless of their background to ensure every one of our pupils reaches their full potential.

Our Academy has an enthusiastic and dedicated staff team with teachers who are committed to delivering a diverse curriculum to support our pupils progress.

Ofsted

Our academy was judged to require improvement since our last inspection in March 2016. The latest monitoring inspection visit in October 2016 found that senior leaders are focusing on the right priorities to raise standards and improve teaching and learning. Our staff continue to work hard to ensure the school progresses to good.

Nechells Education Action Zone (EAZ)

Our academy is part of the EAZ which are schools within the Nechells area that work together with communities to deliver better opportunities for our pupils in order to benefit their education.

Our academy vision

- To continue to value all children equally and to reflect this in all aspects of academy life
- To provide equality of education through a commitment to develop high standards of achievement
- To recognise and value inclusion as fundamental in building an effective academy community
- To provide, in partnership with home and community, a welcoming, secure and stimulating environment.

‘Assessment information is now much sharper, detailed and accurate; the support provided for teachers is effective; and there is evidence of improvement in pupils’ achievement.’ (OFSTED)

Inclusion

The needs of our Gifted and Talented children are catered for in the classroom through their lessons and may be given extension activities.

In our academy we have a large number of children for whom English is not their first language. We aim to support these children by assessing and planning for their needs in lessons, allowing them to work within small groups and giving extra support.

Our Curriculum

We work hard to ensure that our curriculum meets the needs of all of our pupils abilities, with our nursery and reception classes working together to ensure continuity of learning for our pupils.

We want to ensure that our pupils remain engaged through their learning and our primary curriculum is based on The Four Cornerstones Learning: Engage, Develop, Innovate and Express. This is based on the National Curriculum and is designed to encourage pupils to challenge themselves and learn problem solving skills.

We feature ICT at all areas of our curriculum and in Key Stage 2 our pupils begin to learn French as a modern foreign language.

Extra-Curricular Activities

We continue to work within our community to provide strong links to our parents, carers and local businesses. Every morning our pupils benefit from a breakfast club and we actively encourage our pupils to take part in a range of after school clubs.

Enabling children to reach their full potential.

We expect and nurture the best behaviour and attitudes to education - as these are central to pupils being successful.
